8. Should there be any discrepancy between the agreement and the specifications, or any inconsistency or omission in either of them, reference must be made to the Executive Secretary or the Council for an explanation and the Expression of interestee will be held responsible for any errors that may occur in the work through neglect of this precaution.
9. The Expression of interestee shall deliver the whole of the work, complete in all its parts and furnished with every necessary detail and fitting, notwithstanding any omission or inconsistency in the contract drawings and specification. (this section applies only to Work Contracts)
10. Before proceeding to execute any work, the Expression of interestee shall obtain the Executive Secretary's or the Council's approval of the manner in which the Expression of interestee proposes to execute each portion of the work, and shall furnish such information as the Executive Secretary or the Council shall require. (this section applies only to Work Contracts)
11. The Expression of interestee shall take all risks of accident or damage to the work, from whatever cause arising, and shall be responsible for the sufficiency of all means used by him for the fulfilment of the contract, and shall not be relieved from such responsibility by any approval which may have been given by the Executive Secretary or the Council. (this section applies only to Work Contracts)

(this section applies only to Work Contracts)
14. Should the Expression of interestee anticipate at any time during the execution of the contract that he will be unable to deliver the work within the contract time, he must at once give notice accordingly, in writing, to the Council explaining the cause of delay.
15. The contract time for delivery shall be the period or periods named in the Letter of Acceptance of expression of interest and shall be reckoned from the date of receipt of the said letter or from the date of the order to start work whichever may be applicable.

Provided that any written order to start work shall be issued not later than six (6) weeks from the date of the Letter of Acceptance.

16. Any details, descriptions or other literature specified must be furnished by the Expression of interestee with the first consignment of the work to which they refer, and payment will not be made by the Council until such deliverables have been furnished to the satisfaction of the Executive Secretary or the Council.
17. It shall not be lawful for the Expression of interestee to transfer or assign the contract, directly or indirectly, or any part, share or interest in it or any amount due by the Council therefore, to any person or persons whomsoever, or to sublet the contract or any part of it, or to allow any portion of the work to be done otherwise than in his own establishment, without the written consent of the Council.
18. Payment will be made by the Council within a reasonable time after due completion of the works to the satisfaction of the same Council. Payment will be subject to any deductions to which the Expression of interestee may have become liable under this contract.
19. If the work is not completed and delivered within the time specified in the contract, the Expression of interestee shall be liable to a penalty as indicated in the conditions of contract. Provided that the Council may remit such penalty, wholly or in part, if it is satisfied that the delay could not have been avoided.
20. In the event of any difference of opinion arising between the Council and the Expression of interestee, the dispute shall be referred to a committee composed of the unofficial members of the Contracts Committee, whose decision shall be final

and binding. Provided also that such members of this committee shall in no way, directly or indirectly, have any interest in the contract in question.

21. Should the Expression of interestee from any cause whatever, become unable or fail to carry on the contract with efficiency; or should he not progress with the work in the manner intended by the contract, or not have the work ready for delivery in conformity with the terms of the contract; or should his preparations for commencement and his subsequent rate of progress be so slow, from any cause whatever, that, in the opinion of the Council he will be unable to complete and deliver the work by the expiration of the specified period; or should he refuse or neglect to comply with the directions given him by the Council or in any other respect act contrary to the terms of the contract, then the Council shall have the power to declare the contract at an end, and the Expression of interestee shall only be paid for such portion of the work as shall have been actually delivered at the date of such declaration, after deduction of any sum liveable under the conditions of the contract. When the work is expression of interested for in a lump sum, the portion of the work that shall have been actually delivered at the date of such declaration will be valued by the Council which valuation after being approved by the Council, and subject to any deduction liveable under the conditions of the contract, shall be final.
22. The Expression of interestee, shall, in addition, be liable to pay to the Council, or the Council shall be entitled to further deduct the value of any expense, loss or damage (including any difference between the contract price of the work to be done, under the contract, or of such portion thereof as may not have been delivered at the date of such declaration as aforesaid, and the price which the Council may have to pay for similar work provided in lieu of such portion as may not have been so delivered) which the Council may be put to or sustain by reason of, or in connection with the Expression of interestee's breach of contract.
23. Should the Expression of interestee abandon the work he may be liable to the provision of clause 22. The work may be considered to have been abandoned if the Expression of interestee fails to commence it within 10 working days from the date of the commencement stipulated on the contract without previously obtaining permission from the Council.
24. Besides the penalties for delay envisaged in these conditions and without prejudice to all his other liabilities arising out of the contract, the Expression of interestee shall also become liable to a penalty if the rate of progress of the work throughout the contract period is not satisfactory. The Expression of interestee shall be considered to be in default if he fails to carry out every month at least 70% of the estimated monthly average progress. For the purpose of assessing such average progress the value of the contract shall be divided by the number of months stipulated in the contract period. Within each month the Expression of interestee should complete works whose value is equivalent to the average progress obtained as above. Hence in the case of contracts having a completion period of 6 or more months, no penalty shall be imposed in respect of the first month from the date of allocation of the contract. Should the Expression of interestee's progress fail below the minimum

percentage progress, he will become liable to a penalty equivalent to 2% of the value of the contract in respect of every month during which progress is below standard. If the Expression of interestee completes the whole contract within the stipulated period, the Council may consider the refund of any penalties the Expression of interestee may have incurred for slow monthly progress. This clause shall not apply for contracts whose agreed time frame is of less than two months.

26. It shall be lawful for the Council to reject without the necessity of prior legal proceedings any consignment of work or part thereof, which in its opinion does not possess the qualities or does not conform to the standard required under the contract and to obtain it elsewhere, or have it replaced at any price, and on Expression of interestee's account, should the latter fail to replace the articles or the work rejected within the time allowed for the purpose by the Council.
27. Without prejudice to the Council's right to dissolve 'ipso jure' the contract in the case of infringement of any condition there under and apart from the deduction established for delay in delivery, any such infringement shall render the Expression of interestee, in each case, liable to a deduction by way of damages of 5 per cent of the value of the contract with regard to each particular infringement, but not necessarily with regard to all infringements, to claim actual damages incurred.
28. The Council is not bound to accept the lowest or any expression of interest.
29. The Council reserves the right of accepting any expression of interest wholly or in part, or of dividing the contract among two or more expression of interesters.
30. The award of the contract does not exonerate the expression of interestee from the obligation of obtaining any other permit and/or licence that may be required under any law, principal or subsidiary, in force in Malta from time to time.
31. This contract shall be, and be deemed to be a Maltese contract and shall be governed by and construed according to the laws for the time being in force in Malta. Notwithstanding any other disagreement or claims, the Maltese Courts shall have exclusive jurisdiction to hear and decide on the merits of the matter in dispute.
